Sub: APSSDC - APNMC - Collaboration with Health Education England - National Health System - For sending Trained Nurses to UK - Registration Link Provided - To guide the passed out candidates - Reg.
Ref: Letter No. Nil, dt. 31-12-2019 from the MD & CEO, APSSDC, Tadepalli, Guntur District.

As per the above subject & reference cited above, Health Education England (HEE) is working with the National Health System - UK (NHS) hospitals to recruit high quality nurses to work in the UK. Under Global Learners Programme (GLP), APSSDC signed MOU with HEE, which is working with NHS Hospitals to recruit 1,500 nurses in 2019-20 and larger numbers in 2020-21.

In order to select candidates for the above programme, a **screening examination on Basic English Language** would be administered across the state for the selected candidates APSSDC will conduct 2-3 weeks of Orientation training on English Language to appear for APTIS conducted by British Council. The APTIS cleared candidates are considered for intensive training on IELTS in residential mode for 6 months at APSSDC selected locations through British Council authorized training Agencies. The process flow is clearly explained in the poster attached.

In this regard, all the Management(s) of Nursing Colleges in the addressed entry are directed to guide the B.Sc Nursing passed out candidates in last 5 years to make use of this opportunity to get placement in UK. The tentative date for the screening examination is set to be **18th January 2020**. The training for the preliminary examination is tentatively set at **27th January 2020**. The Venue locations for APTIS Exam, IELTS trainings will be informed in due course. The interested candidates may get registered in the link provided below.
