With reference to the subject cited above, it is to inform that many Schools & Colleges have applied for Periodical Inspections/Combined Inspections with Dr. NTR University of Health Sciences. In the present scenario of COVID-19 Lockdown, the students are not available in the Institutions.

As per the Inspection Proforma Guidelines, it is necessary to inspect:

- Yearwise students: number & attendance.
- Students hostel facilities (indoor-outdoor games, mess, etc.,).
- Clinical facilities provided to students in the clinical area such as equipment, supplies available, Teacher-Student Ratio, Uniform, Supervision of students whether clinical rotational plans discussed with the students or not.
- Records of the students etc.
- **Interact with students to verify teaching methods, learning experiences, exams, level of knowledge etc. and to find out any other problems.**

Hence, the Concerned Authorities are requested to Postpone the Inspections except for the starting permissions and the admissions may be allowed for this academic year 2020-21 due to Lockdown.

**(This has got the approval of the Director of Medical Education, Andhra Pradesh (ExOfficio-President, APNMC))**
