Respected Sir!!

I am student from West Bengal. I *am studying* nursing in Andhra Pradesh. Many students from West Bengal are studying nursing in Andhra Pradesh. We came to know that your A.P government is willing to *conduct* nursing examination during this pandemic. But we can't go to college because train is not running in this pandemic situation. We can't study in this lockdown due to lack of suitable classes, practicals and notes. Offline exams will push us in to high Risk of Covid transmission. Online exams procedure will push in to trouble as most of us are from rural areas where internet access is very less.

We Request Cancel All Nursing

Examination [(1st - 4th Yr)B.Sc and (1st-3rd Yr) G. N. M] in this Pandemic Situation.
